## Principal's Message

Welcome back! Our school theme for this year is FIND THE F.U.N (Faculty Unite Now) and we invite you to join us for some FUN at our Annual RUN, WALK OR ROLL FUN RUN AND PANCAKE BREAKFAST on Saturday, September 20<sup>th</sup>. Food will be served and FUN will be available from 9:00 – 11:00 that morning. Come walk the GOLD MEDAL MILE with your son or daughter and their classmates and staff. Come enjoy a pancake or cinnamon roll breakfast and fresh bread from Kneader's in Herriman.

The staff at Kauri Sue unite every day to support one another while educating your child. Although our work can be challenging, our staff are stronger because they work together. Thanks for being part of our team too! We have over 100 IEP meetings to schedule in the next 10 weeks so you will have a chance to work with your child's team soon! If you don't have an IEP this fall, you can expect to have a parent conference so you can hear about your child's progress. We also welcome your input and communication at all times. Our teacher's are committed to sending home notes to you each evening and they love to hear back from you through those home notes as well. You can also call the school at any time and leave a message on our voice mail or with one of our secretaries – 801-567-8500.

Thanks for sharing your child with us every day.

## SMAC

During your child's SMAC time all the students of the Kauri Sue Hamilton School had the privilege of making – Thank You cards for our World War II Veterans. Each student had the opportunity to make a card specifically from them. They made handprints to resemble our flag or painted patriotic pictures to honor our Veterans. A BIG “Thank You” to Korbi for taking on this project, and a BIG “Thank You” to Burt Brothers Tires and Service for their support in making sure our cards are delivered nation-wide to deserving Veterans.

## Health Services

The Health Services office is ready for the new year. We are happy to be here to give district families a “hand up” as they work to care for their children. Our primary goal is to ensure that all families have access to healthcare. We also provide other services such as HEAT application assistance (starting in November) and clothing vouchers for families in crisis.

ACA (Marketplace) open enrollment for 2015 begins on November 15, 2014.

PCN is now open for all adults.

CHIP and Medicaid are open continuously.

We are here to serve your community. Please call for appointments or questions 801-567-8515.

## COOL APP – CHECK IT OUT

<http://www.smartappsforspecialneeds.com>

If you are using apps at home that you really like please share them with the school. We will get them out to teachers and other parents to use with our students.

## Notes from Nursing

It's that time of year again when lots of germs are floating around. We do maintain good handwashing and sanitizing techniques for the staff and students here at KSHS, but just a reminder...

Should your child become ill while at school, you or your designee will be asked to come pick them up promptly. The bus will not be scheduled for pick up the following day, and will not be scheduled further until transportation receives a call from parents letting them know your child is fever free or free from vomiting, diarrhea etc. Please make sure your child is healthy enough to return to school or you may be asked to pick them up again.

We also realize that many of our students suffer with constipation problems and are often on medications intended to help. We also realize that we do have some students who regularly experience diarrhea-like or very loose stools. However, please do not give your child a suppository (or other constipation relieving medication) prior to them coming to school until results are seen. Many children will experience cramping and significant diarrhea following the use of these medications. Diarrhea that is induced is still considered diarrhea. Our policy is that if a child has diarrhea more than once a day they need to be picked up and remain home for 24 hours, diarrhea free.

We realize this may be difficult sometimes, and appreciate your help in keeping our kids healthy!

We are available all school day so please feel free to call any of us anytime with questions, concerns or information. You may also send information in your child's backpack for nurses, but remember, no medications should be sent to or from school in the backpacks. You may also email us anytime at [KSHS.nurses-uc@jordandistrict.org](mailto:KSHS.nurses-uc@jordandistrict.org)

## Diaper Resources

**Did you know you can get diapers for your child through their insurance, and can even be delivered to you? It's an easy process!**

1. You must get a doctor's prescription for diapers, with a diagnosis and number of diapers needed per month. Most pediatricians and pediatric specialists are happy to do this.
2. Call their insurance provider and find out who they prefer for 'Home Health' benefits. (The number is usually on the back of their insurance card.)
3. Call or go online to the home health company and order the size and quantity you need and they will bill the insurance.

If your child has Medicaid, you must find out from the specific plan who to use for home health, as they are not all the same.
