1. Any updates regarding the “soft closure” due to COVID-19 –
 - a. As of right now schools are closed until May 1st. As the school receives updated information they will get it out to parents/guardians.
 - b. Checked in with each parent to see how their student was doing. The teachers have been great about reaching out and providing information to parents.
 - c. Parents will reach out to teachers if need assistance from their individual therapists. Therapists will put videos online for parents to access.

2. Amend and go over the final report for the 2019-2020 Land Trust Plan – take vote and get signatures (no votes can be done via email, must be done virtually or via phone). The signature sheet was sent vial email and from the Land Trust website page to the members on the council. A vote was held via zoom and 9 people voted to finalize the 2019-2020 plan.

3. Talk about Land Trust Plan for 2020-2021 School Year. Went over the Land Trust Plan for the 2020-2021 school year. All 9 people in attendance via zoom voted to approve the plan for the next school year. Courtney will email the plan and another copy of the signature page to council.

4. Planning for rest of the school year – will stay in contact with each other and come up with something depending on whether or not school is back in session before the end of the school year.

5. Fundraising – Courtney has been in touch with the high schools about teaming up with them for their annual holiday fundraising. Courtney will get in touch with all of them again in September to discuss again.
