 - Present - Amber Beck, Olga Purser, Courtney Titus, Shelley Woeste, April Sintz, Heather Miller, Aubrey Sorenson, Jeana Bonner
 - Absent - Missy Reynolds
2. Review meeting notes from November
 - Reviewed meeting minutes from November. No questions or concerns. Minutes were ratified and will be posted to the website.
3. KSHS Giving Tree
 - Thank you to everyone who helped with our giving tree this past Christmas.
 - We were able to help about 45 people
4. Magnets vs. Monthly Calendar
 - Either works. The monthly calendar with the lunch schedule on one side and the calendar on the other side has been helpful. Courtney also sends this information out in an email. Keep doing this.
 - Some like the magnets, but parents lose them and are requesting multiples. We don't have multiple magnets at the school. Not necessary to do magnets.
5. Community Involvement
 - Nursing students from Rosman, WGU, Riverton PLT, Juan Diego Seniors, Mountain Ridge Madrigals, Choir from St. George,
 - Will be doing an assembly for Jordan Ridge Elementary school with our students for their kindness week. April has been working with Jordan Ridge to get this set up.
6. SIBS
 - Next SIBS night is Wednesday, Jan. 24th from 6:00 - 7:30 @ KSHS
7. Health & Wellness
 - District Wide Health and Wellness day will be Friday, Feb. 9th. There will be no school for students and resources will be made available to families in the coming weeks.
8. Spring Fling
 - Finding Nemo
 - 3 Casts
 - Flyers will go home with each student letting parents know what cast their student is in and when their performance will be
9. Incident Command
 - Talked about our reunification plan. Went over the current plan and will see what needs to be added or deleted from that.

- Maybe look at putting bus areas on the back of student cards attached to backpacks so it is in one place for parents.

10. Parent Nights

- Will look at scheduling a couple of these now that the holidays are over and the weather is getting better.
- Will see if we get more attendance and determine if they are valuable or not. Last year there was mixed attendance. Parents from other SCSC around the district were invited which did boost attendance. But attendance was not necessarily from KSHS parents.

11. Land Trust and TSSA Plans - budgets

- Went over what money had been spent on so far - technology (computers, chrome books, projectors, Touch Math Curriculum, News2You curriculum, switches, nursing book, PT professional development, coaching cycles).
- Will go over data at next meeting and talk about goals and plans for the upcoming school year
