*According to Utah State Law Students are **only** allowed to carry and self-administer epinephrine auto injectors, asthma inhalers and insulin. The above named student is under my care and has been trained in self-administration of the following medication, and is capable of carrying and self-administering the indicated medication:*

☐ Auto-Injectable Epinephrine

☐ Inhaler

☐ Insulin

Name of Healthcare Provider: _____ Phone: _____

Healthcare Provider Signature: _____ Date: _____

PARENTAL RESPONSIBILITIES:

- Parent must furnish the school with a completed *School Medication Authorization Form* prior to any medications being administered by school personnel.
- The medication must be delivered to the school by the parent in the original container, labeled with the child's name, medication, time, dosage, and healthcare provider's name.
- All medication must be delivered to the school by an adult and picked up by an adult within two (2) weeks of last dose given.
- If there is a change in the medication or medication dosage, a new *School Medication Authorization Form* must be completed before school personnel can administer the new medication or new medication dose.

I UNDERSTAND THAT BY SIGNING THIS FORM:

- I am giving permission to the school personnel to contact the healthcare provider regarding this medication.
- I am giving permission for this medication to be administered by someone other than a licensed nurse who has been appointed by the school administrator.
- (Except in the case of glucagon or auto-injectable epinephrine), school personnel CANNOT administer:
 - the 1st dose of a new medication, OR
 - the 1st dose of a *dosage change* of any medication.
