2. Link to SCC Training Video -<https://jordandistrict.org/schools/communitycouncil/>. All members of the SCC have watched the training video or will do on their own time.

3. Community Involvement since September

- Utah Correctional Facilities – pumpkins and mascot. The students love this event at our school. Korbi in SMAC carves the pumpkins and lets the kids feel the “guts” and teaches them about pumpkins and fall during this time.
- Riverton High School – Peer Leadership Team. The students come over 1 time a week and are assigned to classrooms. There are about 50 – 55 students who come over each week.
- Eagle Scout Projects. We have many eagle scout projects wrapping up right now. We hope when this goes away that people are still going to reach out to see if they can do service.
- Rec Therapy Students – University of Utah. We have 8 students here this semester working with our two adapted PE teachers. They have been great.
- SIBS. The October SIBS night was such a fun event. The next SIBS night will be on Wednesday, March 26th from 6:00 – 8:00 p.m. @ KSHS. It will be the game night.
- Boo to the Flu Clinic. We did this clinic again at Kauri Sue. For each vaccination that was given \$2.00 goes back to the school.
- PT Student from the U of U. He is great and is loving being here.

4. Professional Development Report

- Mandt, LRBI & Time-Out – All have been certified
- Food Handler's Permits – one in every classroom
- CPR & First Aide – many staff have these certifications and some are getting them
- PT – 2 went to conference. Shelley talked about the conference and how valuable it was and what she learned. Utah Physical Therapy Association. Alpine seating conference. There was talk about bringing in a speaker for staff and parents on some topics around seating and positioning. We will work with Shelley and see if we can get something set up.
- UATT – Susie
- Seizure Training – all staff. Epilepsy foundation.
- Behavior Training
- Heggerty Training – 12 Teachers. Phonemic awareness program.
- Links Training – Transition Specialist. Talked about ideas for jobs and job sites if anyone knows any or can think of things the students can do around the school to send in suggestions or give us contacts.
- STAR Training – 3 Classrooms
- Digital Teacher Leaders – 5 Teachers. Trying to build capacity among members of the school.
- Coaching Training – 1 Teacher Specialist, 2 Teachers. Trying to build capacity among the teachers in our own building.

We talked about the school teams putting together some lists of sensory toys or maybe even having a toy exchange at SIBS.

We also talked about sending out a parent survey to see what things they are in need of or what trainings we could do. The school will get out a survey and get parent suggestions.

5. Incident Command

- Reunification – where at in process of sending information home. Every student took home a note, the reunification plan and a color-coded index card. We have received some positive feedback.
- Have reached out to Scott Chatwin – Emergency Management Coordinator for Riverton City. Scott is contacting the church authorities to see if we are able to shelter at one of the three churches closest to the school. He will

also be working with us and the city on what are needs are in the event that we need to be evacuated to another location.

- The district came and put the 3M film on our classroom windows.
- We are in contact with the district about our security doors for the school. They are working on a plan and a timeline for this. We will update when we know that is going to take place.

6. Review Trust Land Final Report Submitted – see attached

7. Juan Diego Senior Service Project – the week of January 6th – 10th

8. Teacher Appreciation Luncheon – SCC voted to do teacher appreciation the week of May 11th – May 15th.

9. Future Meetings will be held in the main office conference room at 9:00 a.m.
