<input type="checkbox"/> Yes <input type="checkbox"/> No I authorize a trained school employee volunteer to administer the seizure rescue medication.				
Parent Signature:			Date:	
As parent/guardian of the above named student, I give permission for my student's healthcare provider to share information with the school nurse for the completion of this order. I understand the information contained in this order will be shared with school staff on a need-to-know basis. It is the responsibility of the parent/guardian to notify the school nurse of any change in the student's health status, care or medication order. I authorize school staff to administer medication described below to my student. If prescription is changed a new SMMO must be completed before the school staff can administer the medication. Parents/Guardian are responsible for maintaining necessary supplies, medications and equipment.
